Official Transcript Information

Official school transcripts for graduate and undergraduate courses conferring the Master of Science or doctoral degree and all mandatory coursework are required.

Applicants must arrange for submission of the transcripts from the school/institution(s) directly to the BCNS. School/institution(s) may mail the official transcripts to BCNS, 211 W. Chicago Avenue, Hinsdale, IL 60521 or submit electronically to Applications@NutritionSpecialists.org. Exam eligibility will not be conferred without receipt of official transcripts.

Curriculum Vitae / Resume

Applicants must submit a current curriculum vitae or resume detailing professional experience as a nutritionist.

Letters of Recommendation

Applicants must submit two letters of recommendation to the BCNS. Letters of recommendation must come from healthcare professionals familiar with your work as a nutrition professional. These letters must be submitted in accordance with the following guidelines:
